Subject: State Risk Assessors and Systematic Review

Hello Chris and Jennifer,

The State Risk Assessors had expressed interest in hearing from Kris Thayer about Advances in Systematic Review at one of their quarterly calls. At the last minute, they had a speaker cancellation for their October call and asked (coerced ☺) Kris to fill that spot. It will be a 30 minute talk on how IRIS is pragmatically implementing systematic review in our assessments.

Please let us know if you have any questions or would like additional information.

Thanks,

Tina
